Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 24, 1995

SUBJECT: **SB 1136 - HB 762**

This bill, if enacted, will add the aggravating factor to first degree murder that the defendant knowingly mutilated the victim's body after death which will make the defendant eligible to be sentenced to death or life without parole rather than life with possibility of parole.

The fiscal impact from enactment of this bill is estimated to be an increase in state expenditures for incarceration; however, the increase is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
